

These terms supplement your core contract when you use specific Aircall features or services. They apply in addition to your primary agreement and only for the features you actually subscribe to. If you do not use a particular feature, the corresponding terms do not apply to you.

Service-Specific Terms	Applies when:
AI Features Service-Specific Terms	You subscribe to any of Aircall's AI features, such as AI Voice Agent or AI Assist.
Beta Services Terms & Conditions	Aircall invites you to participate in a beta or pre-release programme for a new feature or service.
French eSIM and Mobile Numbers Service-Specific Terms	You subscribe to French eSIM and Mobile Numbers

Additional service-specific terms may be added to this page as new features or services are introduced.
